

I felt a little sad today....

Prepare Me

1

I wasn't allowed to go out and play with my friends in the usual way.

2

I want to visit my Nanny and Grandad But not just yet said my mam and dad And thats one reason that I felt sad.

3

But its okay to feel upset Everything will be okay soon, just not quite yet.

4

Theres a new germ around making some people sick We want it to go away And staying home and washing our hands Will help do the trick!

5

It can move from person to person you see So for now, some must do things a little differently.

6

Like standing apart instead of together Or wearing gloves and a mask even in sunny weather.

7

Just for now, I can't go to school or the playground And I can't ask my friends or my Nanny around.

8

Someday soon we'll get to the end of this Visit my favourite places again See all the people that I really miss And give them all a huge hug and kiss.
